

# Tentative Program

## WORLD CONGRESS ON GYNECOLOGY, OBSTETRICS & WOMEN'S HEALTH

Phone number: +1 214 731 7766

WhatsApp number: +1 214-831-3945

Website: <https://gynecology-conferences.com/>

Abstract: <https://gynecology-conferences.com/abstract-submission>

Registration: <https://gynecology-conferences.com/register>

**August 24-26, 2026**  
**London, UK and Online**

## Keynote Presentations-In-Person

**Mohamed M Hosni**

London Hospital, United Kingdom

Title: Artificial intelligence and Endometriosis

**Vijay Prabha**

Panjab University, India

Title: Exploitation of sperm agglutination factor derived from *Staphylococcus aureus* as a putative candidate for vaginal contraception

## Keynote Presentations-Virtual

**Ling Yin**

University of Florida, United States

Title: Synergistic antifibrotic potential of protocatechuic acid and d-carvone in liver protection

## Oral Presentations-In-Person

**Alexandra Turco**

Warren Alpert Medical School of Brown University, United States

Title: Implementation of the Kurigram project: A cervical cancer see-and-treat intervention in a rural district of Bangladesh

**Jasmine Powell**

Warren Alpert Medical School of Brown University, United States

Title: Implementation of the Kurigram project: A cervical cancer see-and-treat intervention in a rural district of Bangladesh

**Erin Chang**

Warren Alpert Medical School of Brown University, United States

Title: Updated Soon

**Cintia Collins**

Warren Alpert Medical School of Brown University, United States

Title: Updated Soon

**Samineh Yousefi**

Imperial College London, United Kingdom

Title: From research to action: Practical stakeholder-specific interventions to improve the menopausal experience of doctors

---

<b>Stephanie Daniels</b> Royal Surrey County Hospital, United Kingdom	Title: Back to the Bedside: Teaching Paracentesis as a Tool to Improve Oncology Patient Outcomes, Hospital Efficiency and Team Morale
<b>Alexandra Morris</b> It's Not Just A Period, United Kingdom	Title: Fundamentally Disconnected: We Have an Attitude Problem When It Comes to Women's Health
